Thursday, February 12, 2015
Oasis Conference Center
902 Loveland-Miamiville Road- Loveland, OH 45140
www.oasisconferencecenter.com

All seminars will take place during the show. The 11:30 seminar requires pre-registration through www.IFMAcincinnati.com.. All other seminars are free to attend. Seminars are on a first-come, first-served basis.

9:30 AM - 10:15 AM

New Software Technology for Facility Management, Maintenance and Construction

Learn how to increase your facility management and maintenance efficiency using new software technology. These Software products enable you to save building, facility and construction plans in the Cloud and are designed specifically for the AEC industry. We will discuss the attributes of Planwell Collaborate, SKYSITE software and hyperlinking of documents.

Presented by: Representatives from ARC Document Solutions 513-326-2300

10:30 AM-11:30 AM

"Energy Savings Through Better Boiler Control"

This seminar will cover turnkey control solutions for all types of boiler rooms and applications. Control options discussed will cover integration, communications, reliability, efficiency and safety. Solutions are designed to help you save on fuel costs and reduce emission levels.

Presented by: Wendell Pipkin, Conversions Sales Manager - Cleaver-Brooks, Inc.

***11:30 AM- 1:00 PM**

IFMA Luncheon and Duke Energy Smart Saver Rebates

IFMA International Facility Maintenance Expo-Cincinnati Chapter Monthly Luncheon- This luncheon takes place at the Oasis Conference Center during the Facility Maintenance Expo in Sandalwood C Banquet Room and is open to anyone.

Lunch is free for first-time prospective IFMA members but you must pre-register through the IFMA web site at www.ifmacincinnati.com.

David Hart from Tremco will co-present with Duke Energy on Smart Saver and finding/implementing Duke Energy rebates for commercial buildings. This could save you big \$\$\$!

Anyone can go to ifmacincinnati.com and register.

Lunch for First time Guest is free but space is limited and you must preregister.

Presented by: Dave Hart, Tremco, and Representative from Duke Energy
