

**Free Seminar Schedule**  
**2019 Cincinnati Facilities Maintenance & Management Expo**  
**Thursday, February 14, 2019**  
**Oasis Conference Center-Loveland, OH**

*All Seminars attendance is free and seating is on a first-come, first-served basis and take place on the show floor unless otherwise noted.*

**9:30 AM-10:15 AM Going Beyond LED: Using Lighting as the Foundation for SMART buildings**

Upgrading to an intelligent lighting solution provides value well beyond illumination. Join Luna Energy Partners as we share how to future-proof your lighting upgrade, garner executive buy-in and find creative financing to make it happen. *Presented by: Luna Energy Partners, Tamera Lindsay*

**10:20 AM-11:20 AM Exterior Building Envelopes-Preventing and Solving Problems**

*Presented by: Robert (Bob) Bartolt, RA, NCARB, LEED AP, Senior Architect Elevar Design Group-Cincinnati.*

**11:30 AM- 12:15 PM HVAC-Permanent Magnet Motor Technology**

We have seen the growth of permanent magnet motor usage in HVAC applications due to a federal government legislation requiring higher system efficiency. This session will discuss that legislation (in the US and abroad), the effects on motor design, and more importantly the impact it has on the method of control from the building automation system. (Visit booth #59 for more info).

*Presented by: Phil Landman, Yaskawa/Stoermer-Anderson, Inc.*

**12:30 PM-1:15 PM Save Money by Restoring**

We can save property managers money by repairing and refinishing furnishings and fixtures-interior and exterior.

*Presented by: Steve Scott-Furniture Medic of Cincinnati*

**1:20 PM-1:50 PM Commercial Roofing Products**

Learn about the advantages of spray foam, restorative coatings and single ply roof options for repairing or reroofing your commercial/industrial roof. *Presented by: Gary Hluszti-IRC (Insulated Roofing Contractors)*
