*Holiday Inn, Independence. 6001 Rockside Road, Independence OH 44131*

*All Seminars are free to attend and seating is on a first-come basis and take place at the show.*

#### **9:30 AM-10:15 AM -Keeping Water Out of Your Facility**

**This course provides facility managers a general overview of commercial water damage including: typical sources of water infiltration, categories and classes of water damage, the proper use of drying equipment, emergency preparedness protocol and the consequences of inadequate drying procedures**

*Presented by: ServPro of the North Coast*

#### **10:15 AM -11:15 AM-Clearing the Air: IAQ Strategies and COVID-19. (This course qualifies for 1 Continuing Ed. Credit)**

**Scientific evidence is increasingly pointing to the role that airborne transmission is playing in the spread of COVID-19. This session will cover what facilities managers are dealing with during and after re-opening facilities, how to plan for safer indoor spaces, and how to answer questions you might be getting from people in your buildings. Topics will include: AC Containment and Airborne Transmission, HVAC Strategies-Back to Basics-Ventilation and Humidity Control, Advanced Technologies and Strategies.**

*Presented by: Bob Ambrose and Steve Ripepi, Engineers-Gardiner Company*

#### **11:30 AM-12:30 PM -Drain Line Assessments**

**Learn how to affordably tackle underground and interior drain issues**

*Presented by: Chuck Miller- Specialized Pipe Technologies*

#### **12:45 PM-1:30 PM New Safety Products and PPE to Keep You and Your Facility Safe in the Age of COVID-19.**

*Presented by: Darlene Zwolinski-Blink Signs*
