

2018 Central Ohio Facilities Maintenance & Management Expo
Seminar Schedule
Thursday, October 11, 2018-Ohio State University Fawcett Center

8:00 AM-9:00 AM

IFMA Breakfast Meeting * (requires preregistration at www.ifmacentralohio.org and scroll to the Oct. 11th Event Date)
Electrical Code Updates & Your Facility Health

Join us for a discussion on electrical code updates that will have the greatest impact on how you manage your facility. Presenters from **MCHC Power Solutions**, an advanced electrical testing company here in Central Ohio, will talk about how you can prepare for these changes, as well as how you can use preventative maintenance to safeguard your facility against unforeseen electrical issues

Presenters: Paul Forney, Lead Technician; Jerry Bennet, Thermographer and NFPA 70E & OSHA 10/30 Hour Instructor

9:30 AM-10:15 AM

Going beyond LED: Using Lighting as the Foundation for SMART Buildings

Upgrading to an intelligent lighting solution provides value well beyond illumination. Join Luna Energy Partners as we share how to future-proof your lighting upgrade, garner executive buy-in and find creative financing to make it happen.

Presented by: LUXLED Solutions

10:15 AM -11:00 AM

Trends in HVAC and Indoor Air Quality

Learn about latest trends in building HVAC systems, addressing HVAC and indoor environmental quality, as well as modernizing older systems and the challenges of new technology integration. There will be a model furnace demonstration, and discussion on the future of HVAC in the design, build, operate and manage industry."

Presented by: Mr. William Highley, Assistant Professor for HVAC at Columbus State Community College

11:30-12:15 PM

AEP Ohio Energy Programs

AEP Ohio Energy Efficiency Programs going strong ten years later. Come learn about savings beyond kilowatts, how AEP Ohio is helping the Electric Vehicle market with a new incentive program, and 2018 year end program updates. We will dive into Automated Energy Star Benchmarking, networked lighting controls, Process Efficiency, New Construction and the VFD bonus.

Presented by: AEP Ohio Energy

12:30 PM-1:15 PM

How to Advance in Facility Management

So you're in facility management, but you're not sure how to advance your career. The Central Ohio chapter of the International Facility Management Association ("IFMA") has brought together a panel of facility managers with over 50 years experience that will talk about how they advanced their careers. Also, they'll talk about how IFMA credentials have helped their career.

Presented by: IFMA Central Ohio Chapter
