#### **9:30 - 10:15 Tired of bleach? Try Chlorinated Disinfecting Tablets**

Learn the importance of a proactive approach to cleaning and disinfection. With the recent scare regarding Novel Coronavirus, we've all been reminded how fragile our health and safety can be. By implementing proper processes and deploying the proper products, we can get ahead of potential problems before they start! While there are many fine products in the market today, Green Klean's Chlorinated Disinfecting Tablets applied through a Victory Electrostatic Sprayer is an efficient, economical, and complete system for battling the pathogens we know about, and the ones we've yet to discover.
