9:15 AM- 10:00 AM- BOMA is the CRE Industry Leader

No other industry association can claim the number of advocacy and building code victories, award-winning, high-performance programs, depth of industry intelligence, or global access and influence that BOMA has for over 100 years. This seminar introduces you to BOMA and discusses what our group is doing in the Michiana area. Learn about the benefits of membership in this fine organization.

Presented by: Rachel Smith, Chapter President, 2018, E.M.I.T, LEED® Green Associate™

10:05 AM - 10:50 AM- The ABC's of LED Lighting (Light Emitting Diode)

Learn about the many attributes of converting to LED lighting in your building or facility. Utility cost savings will be discussed along with light quality. Take full advantage of Rebate Programs available through your local utility company when you upgrade to LED lighting in your building or facility.

Presented by: Brennan Booms-Enlighten Solutions

11:00 AM- 12:00 Noon- How To Select a Roof Contractor

Frank open discussion, how to get the best ROI from your roof. Learn from an independent roof consultant with more than 50 years' experience working with all kinds of roofs. More \$\$\$ value is lost by not taking care of our roofs than all other building parts combined.

Presented by: R.W. Humbarger, RRC, CDT- RoofWise Consulting, Inc.
